

## Recall Summary – European Toys

*Published: 15/02/2018*

*RAPEX notification (Jan 2018)*

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/1860/17	Norway	<b>Beach ball</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the ball contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 24% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  According to the REACH Regulation the phthalate DEHP is prohibited in all toys and childcare articles.	Withdrawal of the product from the market (By: <b>Importer</b> )
A12/1861/17	Norway	<b>Beach ball</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the ball contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 24% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  According to the REACH Regulation the phthalate DEHP is prohibited in all toys and childcare articles.	Withdrawal of the product from the market (By: <b>Importer</b> )
A12/1863/17	Finland	<b>Plastic toy set</b>  Country of origin: <b>China</b>		<b>Chemical</b> The transparent material of the sandals contains di(2-ethylhexyl)phthalate (DEHP) (measured value 0,45 % by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  According to the REACH Regulation the phthalate DEHP is prohibited in all toys and childcare articles.	Import rejected at border
A12/1866/17	Poland	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The doll's head contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 26.4% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  According to the REACH Regulation the phthalate DEHP is prohibited in all toys and childcare articles.	Withdrawal of the product from the market (By: <b>Importer</b> )

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/1870/17	Poland	<b>Skipping rope</b>  Country of origin: <b>China</b>		<b>Chemical</b> The skipping rope's string contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: up to 39.2% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  According to the REACH Regulation the phthalate DEHP is prohibited in all toys and childcare articles.	Withdrawal of the product from the market (By: <b>Importer</b> )
A12/1876/17	Poland	<b>Plastic toy</b>  Country of origin: <b>China</b>		<b>Choking</b> The warning on the toy conflicts with its intended use. The shape and size of the ponies are indeed suitable for small children who could put them in the mouth and choke on them.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Withdrawal of the product from the market (By: <b>Importer</b> )
A11/0154/17	Germany	<b>Fabric doll</b>  Country of origin: <b>China</b>		<b>Choking</b> Small parts can easily be detached from the toy (part of the textile cap). Small children may put them in the mouth and choke.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Ban on the marketing of the product and any accompanying measures
A12/0003/18	Slovenia	<b>Modelling clay</b>  Country of origin: <b>United States</b>		<b>Injuries</b> The product includes a small loose magnet with a high magnetic flux. If a child swallows this small magnet and other metallic objects, they could attract one another causing intestinal blockage or perforation.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Recall of the product from end users
A12/0006/18	Poland	<b>Toy pushchair</b>  Country of origin: <b>China</b>		<b>Injuries</b> The locking device does not work properly. The toy pushchair could consequently collapse during use causing the fingers of a child to be crushed.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Withdrawal of the product from the market

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/0010/18	The Netherlands	<b>Plush toy</b>  Country of origin: <b>China</b>		<b>Choking</b> The eyes can easily come loose, generating small parts. A small child may put them in the mouth and choke.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Recall of the product from end users
A12/0011/18	Spain	<b>Fancy-dress beard</b>  Country of origin: <b>China</b>		<b>Burns</b> The beard is highly flammable. If it catches fire, the child could suffer burns to the face.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-2.	Withdrawal of the product from the market
A12/0012/18	Poland	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the blue-haired doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 33.3% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  According to the REACH Regulation the phthalate DEHP is prohibited in all toys and childcare articles.	Withdrawal of the product from the market (By: <b>Importer</b> )
A12/0013/18	Poland	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 33.6% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  According to the REACH Regulation, the phthalate DEHP is prohibited in all toys and childcare articles.	Withdrawal of the product from the market (By: <b>Importer</b> )
A11/0003/18	Denmark	<b>Fancy-dress costume</b>  Country of origin: <b>China</b>		<b>Burns</b> The wig is not sufficiently self-extinguishing in the event that it is ignited by a flame. A child could consequently receive burns.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-2.	Withdrawal of the product from the market (By: <b>Retailer</b> )

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/0022/18	Estonia	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the head contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 20.8% by weight). This phthalate may harm the health of children, causing possible damage of the reproductive system.  According to the REACH Regulation the phthalate DEHP is prohibited in all toys and childcare articles.	Ban on the marketing of the product and any accompanying measures (By: <b>Retailer</b> )
A12/0024/18	Spain	<b>Magnetic toy</b>  Country of origin: <b>China</b>		<b>Choking</b> Small parts can easily be detached from the toy. A child may put them in its mouth and choke.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Withdrawal of the product from the market
A12/0030/18	France	<b>Trampoline</b>  Country of origin: <b>Germany</b>		<b>Injuries</b> The product is not sufficiently stable and the safety information, instructions for assembly and warnings are not adequate. As a consequence, the trampoline might tip over during use and the user does not have the relevant information for a safe use of the product, leading to injuries.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-14.	Withdrawal of the product from the market
A12/0032/18	Slovakia	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 26.7% by weight) and dibutyl phthalate (DBP) (measured value 0.29 % by weight). These phthalates may harm the health of children, causing possible damage to the reproductive system. It also contains di-isononyl phthalate (DINP) (measured value 0.79 % by weight).  The product does not comply with the REACH Regulation.	Recall of the product from end users, Withdrawal of the product from the market
A12/0033/18	Slovakia	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 0.2% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Ban on the marketing of the product and any accompanying measures

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/0038/18	Slovakia	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 35.2% by weight), di-butyl phthalate (DBP) (measured value: 0.01% by weight). These phthalates may harm the health of children, causing possible damage to the reproductive system. It also contains di-isononyl phthalate (DINP) (measured value: 0.006 % by weight).  The product does not comply with the requirements of the REACH Regulation.	Ban on the marketing of the product and any accompanying measures, Warning consumers of the risks
A12/0039/18	Slovakia	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 16.6% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Ban on the marketing of the product and any accompanying measures, Recall of the product from end users, Warning consumers of the risks, Withdrawal of the product from the market
A12/0040/18	Slovakia	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 22.5% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Recall of the product from end users, Withdrawal of the product from the market
A12/0051/18	France	<b>Fancy-dress costume</b>  Country of origin: <b>China</b>		<b>Choking</b> The product contains small parts or fibrous stuffing material that can easily be detached. The small parts or stuffing may be put in the mouth by a small child, causing choking.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Recall of the product from end users

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/0052/18	France	<b>Fancy-dress mask</b>  Country of origin: <b>China</b>		<b>Burns</b> The mask is highly flammable. If it catches fire, the user may suffer burns to the face.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European Standard EN 71-2.	Recall of the product from end users
A12/0053/18	Portugal	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll's head contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 22.9% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0054/18	Spain	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains di (2-ethylhexyl) phthalate (DEHP) (measured value 30.2% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0055/18	Czech Republic	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the product contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 27.5 % by weight). This phthalate may harm the health of children, causing possible damage of the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0057/18	Czech Republic	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the product contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 11.5 % by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/0061/18	Luxembourg	<b>Keychain</b>  Country of origin: <b>The Netherlands</b>		<b>Chemical</b> The plastic material of the toy contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 34% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Ban on the marketing of the product and any accompanying measures
A12/0062/18	Luxembourg	<b>Flashing Bracelet</b>  Country of origin: <b>The Netherlands</b>		<b>Chemical, Environment</b> The plastic material of the bracelets contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 40% by weight). This phthalate may harm the health of children causing possible damage to the reproductive system. In addition, the concentration of mercury in the button batteries in the article (0.16 % by weight). Mercury is one of the most hazardous environmental toxins and is a threat to the environment and, through the environment, to human health.  The product does not comply neither with the REACH Regulation nor with the Directive 2006/66 on batteries and accumulators and waste batteries and accumulators.	Ban on the marketing of the product and any accompanying measures
A12/0063/18	Germany	<b>Teether book</b>  Country of origin: <b>China</b>		<b>Chemical</b> The fabric material of the book contains the flame retardant tris (2-chlor-1-methylethyl phosphate (TCPP) (measured value: 22,950 mg/kg). TCPP can be harmful to children due to its carcinogenic properties and acute toxicity.  The product does not comply with the requirements of the Toy Safety Directive.	Withdrawal of the product from the market
A12/0064/18	France	<b>Trampoline</b>  Country of origin: <b>Germany</b>		<b>Injuries</b> The product is not sufficiently stable and the safety information, instructions for assembly and warnings are not adequate. As a consequence, the trampoline might tip over during use and the user does not have the relevant information for a safe use of the product, leading to injuries.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-14.	Withdrawal of the product from the market

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A11/0005/18	France	<b>Fancy-dress costume</b>  Country of origin: <b>China</b>		<b>Choking</b> The fibrous stuffing material is accessible due to the weakness of certain seams. A child can put the fibrous stuffing material in the mouth and choke.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Recall of the product from end users
A12/0067/18	France	<b>Fancy-dress costume</b>  Country of origin: <b>China</b>		<b>Choking</b> The product contains small parts (the eyes) that can easily be detached. A small child may put these parts in the mouth and choke.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.	Recall of the product from end users
A12/0070/18	Czech Republic	<b>Plush toy</b>  Country of origin: <b>China</b>		<b>Chemical, Choking</b> The battery compartment can easily be opened without use of any tools and the button cell batteries inside are accessible. Children might put them in the mouth and swallow them, causing damage to their gastrointestinal tract.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 62115	Withdrawal of the product from the market
A12/0071/18	Czech Republic	<b>Squeeze toy</b>  Country of origin: <b>China</b>		<b>Chemical, Choking</b> The battery compartment can easily be opened without use of any tools and the button cell batteries inside are accessible. Children might put them in the mouth and swallow them, causing damage to the gastrointestinal tract.  The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 62115.	Withdrawal of the product from the market
A12/0072/18	Czech Republic	<b>Plastic doll</b>  Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 16.3% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/0073/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 12% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0074/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The doll's head contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 11.4% by weight). This phthalate may harm the health of children, causing possible damage of the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0075/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 10.4% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0076/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the dolls contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 10% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0077/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 12.1% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market

Alert No.	Notifying Country	Product	Product Photo	Hazard/ Risk	Measures Adopted
A12/0078/18	Czech Republic	Plastic toy Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the toy contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 5.5% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0079/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the dolls contains di-(2-ethylhexyl) phthalate (DEHP) (measured value: 14.8% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0081/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the blue-haired doll contains di-(2-ethylhexyl) phthalate (DEHP) (measured value 26.8% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0082/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the doll contains di-(2-ethylhexyl) phthalate (DEHP) (measured value 5.2 % by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market
A12/0083/18	Czech Republic	Plastic doll Country of origin: <b>China</b>		<b>Chemical</b> The plastic material of the blue-haired doll contains bis (2-ethylhexyl) phthalate (DEHP) (measured value 15.2% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system.  The product does not comply with the REACH Regulation.	Withdrawal of the product from the market

## RAPEX – Rapid Exchange of Information System

The Rapid Alert System enables the rapid exchange of information (RAPEX) between **31 European countries** and the European Commission on non- food dangerous products found on the market posing a risk to health and safety of consumers.

A weekly overview of the alerts on those products is published in English for free on <http://ec.europa.eu/rapex>. The measures taken in the notifying country in order to restrict their marketing or use can be ordered by national authorities ("compulsory measures") or be taken directly by producers and distributors ("voluntary measures").

The official contact points of the Member and EFTA-EEA States provide the information published in these weekly overviews. Under the terms of Annex II.10 of the General Product Safety Directive ([2001/95/EC](http://eur-lex.europa.eu/LexUriServ.do?uri=CELEX:2001L0095:en:DOC)) responsibility for the information provided lies with the notifying party. The Commission does not take any responsibility for the accuracy of the information provided.

### CPSC

The United States Consumer Product Safety Commission (CPSC) is an independent agency of the United States government. To provide better service in alerting the American people to unsafe, hazardous or defective products, a “one stop shop” for U.S. Government recalls, [www.recalls.gov](http://www.recalls.gov), has been created. Public can report unsafe products to CPSC by using the platform.

The recall list is divided into seven categories: Consumer Products, Motor Vehicles, Boats, Food, Medicine, Cosmetics and Environmental Products. Generally, the recall was conducted voluntarily by the company under CPSC’s Fast Track Recall program. Fast Track recalls are initiated by firms who commit to work with CPSC to quickly announce the recall and remedy to protect consumers.
