SVHC Candidate List Now Includes 191 Substances

On June 27th, 2018 the European Chemical Agency (ECHA) expanded the candidate list of Substances of Very High Concern (SVHC) to 191 with ten new substances incorporated.

Legal obligations have to be borne by the suppliers of imported or manufactured articles which contain any such substances in the list with a concentration exceeding 0.1% (w/w). Related parties through the supply chains, such as manufacturers, distributors, and consumers should be adequately informed as well.

The below table shows the properties of these new SVHC substances:

<table>
<thead>
<tr>
<th>#</th>
<th>Substance</th>
<th>EC No.</th>
<th>CAS No.</th>
<th>Reason(s) for inclusion</th>
<th>Application(s)</th>
</tr>
</thead>
</table>
| 1  | Octamethylcyclotetrasiloxane (D4)       | 209-136-7 | 556-67-2    | PBT and vPvB            | - Washing and cleaning products  
- Polishes and waxes  
- Cosmetics and personal care products |
| 2  | Decamethylcyclopentasiloxane (D5)       | 208-764-9 | 541-02-6    | PBT and vPvB            | - Washing and cleaning products  
- Polishes and waxes  
- Cosmetics and personal care products  
- Treatment in textile and dyes |
| 3  | Dodecamethylcyclohexasiloxane (D6)      | 208-762-8 | 540-97-6    | PBT and vPvB            | - Washing and cleaning products  
- Polishes and waxes  
- Cosmetics and personal care products |
| 4  | Lead                                    | 231-100-4 | 7439-92-1   | Toxic for reproduction  | - Metals, welding and soldering products  
- Metal surface treatment and polymers |
| 5  | Disodium octaborate                     | 234-541-0 | 12008-41-2  | Toxic for reproduction  | - Anti-freeze products and heat transfer fluids  
- Lubricants and greases  
- Washing and cleaning products |
| 6  | Benzo[ghi]perylene                      | 205-883-8 | 191-24-2    | PBT and vPvB            | - Constituent or impurity in other substances  
- Side-product in manufacturing |
| 7  | Terphenyl hydrogenated                  | 262-967-7 | 61788-32-7  | vPvB                   | - Plastic additive and solvent in coatings/inks  
- Adhesives and sealants  
- Heat transfer fluids |
